## GETTING TO SENTOSA

We recommend the following transportation options to get to  
Sentosa Island:

### 1. Sentosa Boardwalk

You can now travel into Sentosa on foot via the Sentosa Boardwalk.  
It's a leisurely stroll from VivoCity Shopping Mall's waterfront  
promenade, made easy by two-way canopy-covered travelators.  
VivoCity Shopping Mall is located at HarbourFront MRT station on  
the North-East line.

Running parallel to Sentosa's vehicular bridge, the Sentosa  
Boardwalk is also set to provide guests with an experiential walk  
amid lush landscapes. It is the only garden-themed boardwalk in  
South-East Asia, and features five tropical landscapes that are  
indigenous to Singapore.

Overlooking the bay, the Sentosa Boardwalk boasts extensive  
vantage lookout points for guests to enjoy the sunset, arrival of  
cruise liners from the sea and outdoor performances.
